## 4-Day Lodge-Based Sea Kayaking Trip for 2 People

>> Imagine paddling alongside orcas as you and a friend spend four days exploring the magnificent coastline of western British Columbia in your new **Kokatat TecTour Anorak jackets**, returning each night to hot showers and the gourmet meals of a seaside lodge. In the summer months, more than 150 orcas gather in Johnstone Strait to the northeast of Vancouver Island. Your raffle ticket could put you there with them, enjoying a wonder of the natural world and feeling good about helping the SF Ocean Film Festival keep such wonders a part of our lives.

>>> Every **\$10 raffle ticket** bought to win this wonder-filled prize benefits the **San Francisco Ocean Film Festival**, a cause we hear through special channels, that gets wild tail slaps from orcas everywhere.

>>> The Drawing will be held shortly after the end of the festival around 6 pm on Sunday, February 7th. The winner —and it could be you—need not be present to win.
