

Discussion Questions for 2010 Education Program

1. Which film had the most impact on you? Why?
2. If you were an ocean film maker, what would your first film be about? Why?
3. "My Sense of Place" filmed students interacting with the ocean. Describe how you think those students must have felt.
4. After viewing the films, what are you inspired to learn about? Why?
5. "Gimmie a Hug" is considered to be controversial. Did you find it controversial? Why or why not?
6. "Sea Vegetables" demonstrated the human use of resources from the ocean. What other resources do we get from the ocean? What can we do to make sure the ocean does not run out of those resources?
